# Free support to get a better job

Have you got the skills for a better paid job, but can't find anything that fits with looking after your children?

## **We give parents and carers face-to-face support to:**

- Find part time jobs and local jobs that fit with your family and are paid a fair salary
- We even talk to employers on your behalf
- Improve your CV and job applications
- Do well at interviews

## **Will you qualify for free support?**

Our support is free to parents with household income of less than £20,000. To get the most out of the service, you must be keen to start a new job in the next few months.
